

Type of Study	Eligibility	Funding Institution/Program	Description	Deadline	Website	Contact Info
Grants for adult education	Mexican seeking basic education or occupational training	IME-Becas	Financial support from the Mexican Government through the IME-Becas funding for Mexican students in educational institutions and organizations in the United States.	September 1st, 2016	<a href="https://consumex2.sre.gob.mx/littlerock/index.php/avisos/81-covocatoria-ime-becas-2016-2017">https://consumex2.sre.gob.mx/littlerock/index.php/avisos/81-covocatoria-ime-becas-2016-2017</a>	
Collaborative research seed funding	UC & Mexico Researchers	UC MEXUS-CONACYT Grants for Collaborative Projects	Call for proposals to provide seed funding to teams of UC and Mexican researchers with beginning projects in basic and applied collaborative research, instructional development, and public service and education projects that apply research to public issues.	February/March (Recurring annually)	<a href="http://ucmexus.ucr.edu/funding/grant_collaborative.html">http://ucmexus.ucr.edu/funding/grant_collaborative.html</a>	Andrea Kaus, Director of Research Programs, UC MEXUS, tel: 951.827.3456, email: <a href="mailto:andrea.kaus@ucr.edu">andrea.kaus@ucr.edu</a>  Luis Humberto Fabila Castillo, Director for Basic Scientific Research, CONACYT, tel: (55) 53.22.7700 ext 6100, email: <a href="mailto:lfabila@conacyt.mx">lfabila@conacyt.mx</a>
Small grants for research	UC Researchers	UC MEXUS Small Grants	A small grants competition for travel, short-term research, initial planning, or other special one-time needs related to the seed phase of projects or programs conducted by UC researchers or research teams.	Monthly	<a href="http://ucmexus.ucr.edu/funding/grant_small.html">http://ucmexus.ucr.edu/funding/grant_small.html</a>	Andrea Kaus, Director of Research Programs, UC MEXUS, tel: 951.827.3456, email: <a href="mailto:andrea.kaus@ucr.edu">andrea.kaus@ucr.edu</a>
Funding for short-term research stays	Mexico Researchers	COMEXUS Research Stay in the US	Research grants available for doctoral students, postdoctoral fellows, and researchers in Mexican institutions to travel to US institution (Travel starting August 2016)		Oct-15 <a href="http://comexus.org.mx/estancias_investigacion_eua.html">http://comexus.org.mx/estancias_investigacion_eua.html</a>	
NEXUS Research Network	Mexico Researchers	Fulbright-NEXUS (Regional Network for Applied Research)	Grant to participate in a research network regarding climate change. Teams of 20.	March (Recurring Annually)	<a href="http://comexus.org.mx/nexus.html#investigadores">http://comexus.org.mx/nexus.html#investigadores</a>	email: <a href="mailto:becas@comexus.org.mx">becas@comexus.org.mx</a>
International Research & Education	UC & Mexico Researchers	NSF Partnerships for International Research and Education (PIRE)	PIRE seeks to support high quality projects in which advances in research and education could not occur without international collaboration. Will support fundamental, international research and education in physical, living, human and engineered systems.		<a href="http://www.nsf.gov/funding/pgm_summ.jsp?psid=505038">http://www.nsf.gov/funding/pgm_summ.jsp?psid=505038</a>	General inquiries regarding this program at NSF: Cassandra M. Dudka, tel: (703) 292-7250, email: <a href="mailto:PIRE-info@nsf.gov">PIRE-info@nsf.gov</a> Cassidy Burke, tel: (703) 292-2464, email: <a href="mailto:PIRE-info@nsf.gov">PIRE-info@nsf.gov</a> For Mexico, contact CONACYT: Hector Samano Rocha, <a href="mailto:hsamano@conacyt.mx">hsamano@conacyt.mx</a>
Research Networks	UC Researchers	NSF Research Coordination Networks (RCN)	Creation of new research networks to provide opportunities to foster new collaborations, including international partnerships, and address interdisciplinary topics. Innovative ideas for implementing novel networking strategies, collaborative technologies, and development of community standards for data and meta-data are especially encouraged	January (Recurring Annually)	<a href="http://www.nsf.gov/pubs/2015/nsf15527/nsf15527.htm">http://www.nsf.gov/pubs/2015/nsf15527/nsf15527.htm</a>	
Research	UC Researchers	NSF Faculty Early Career Development Program	NSF encourages CAREER Principal Investigators to include international/global dimensions in their projects. As appropriate, the CAREER proposal should delineate how its activities fit within the context of expertise, facilities, data, and other resources that are being applied globally in relevant areas of research and education, and how the CAREER award would position the Principal Investigator and his/her organization to take a leadership role. If applicable, the proposal should clearly state how the research and education activities will be enhanced by international engagements, and should describe the benefits to participants in the U.S. and abroad.	July (Recurring Annually)	<a href="http://www.nsf.gov/funding/pgm_summ.jsp?psid=503214">http://www.nsf.gov/funding/pgm_summ.jsp?psid=503214</a> &org=IA&from=home	Alan J. Tessier, NSF, tel: 703.292.7198, email: <a href="mailto:atessier@nsf.gov">atessier@nsf.gov</a> Charles Sullivan, NSF, tel: 703.292.7121, email: <a href="mailto:csullivan@nsf.gov">csullivan@nsf.gov</a>
Research	UC Researchers	Cultivating Cultures for Ethical STEM	This program accepts proposals for innovative research projects to foster ethical STEM research in all of the fields of science and engineering that NSF supports, including within interdisciplinary, inter-institutional and international contexts.	February (Recurring Annually)	<a href="http://www.nsf.gov/funding/pgm_summ.jsp?psid=505027">http://www.nsf.gov/funding/pgm_summ.jsp?psid=505027</a> &org=IA&from=home	Refer to NSF website for contact information by discipline and country: <a href="http://www.nsf.gov/crssprgm/career/contacts.jsp">http://www.nsf.gov/crssprgm/career/contacts.jsp</a>
Research experiences for undergraduates	UC Researchers	Research Experiences for Undergraduates	The REU program encourages active research projects with an international dimension. Appropriate REU Site and REU Supplement proposals can be considered for co-funding by NSF's Office of International Science and Engineering (OISE). International projects typically involve partnering a U.S. REU project with one or more international collaborators in a specific institution or organization. Successful international REU projects include (1) true intellectual collaboration with a foreign partner and (2) benefits that are realized from the expertise, specialized skills, facilities, phenomena, or other resources that the foreign collaborator or research environment provides.	August (Recurring Annually)	<a href="http://www.nsf.gov/funding/pgm_summ.jsp?psid=551780">http://www.nsf.gov/funding/pgm_summ.jsp?psid=551780</a> rg=IA&from=home	General inquiries regarding this program: <a href="mailto:ccc-stem-contacts@nsf.gov">ccc-stem-contacts@nsf.gov</a>
Research	UC Researchers	MacArthur Foundation	MacArthur Foundation has three grantmaking programs in Mexico: population and reproductive health, human rights and justice, and migration		<a href="http://www.macfound.org/tags/mexico/">http://www.macfound.org/tags/mexico/</a>	See REU Site Contacts: <a href="http://www.nsf.gov/crssprgm/reu/reu_contacts.jsp">http://www.nsf.gov/crssprgm/reu/reu_contacts.jsp</a>
Research	UC Researchers	Open Society Foundations: Advancing Human Rights through Higher Education	Projects need to include to of the following areas of activities: Action Research, Teaching & Public Education, Community Impact. Projects need to approach human rights from more than a theoretical perspective and forge collaborations between university communities and civil society toward tackling pressing human rights issues.		30-Apr-15 <a href="http://www.opensocietyfoundations.org/grants/advancing-human-rights-through-higher-education-20150305">http://www.opensocietyfoundations.org/grants/advancing-human-rights-through-higher-education-20150305</a>	Liliane Loya, Program Officer - Mexico Email: <a href="mailto:mexico@macfound.org">mexico@macfound.org</a> ; Tel: 011.52.55.3004.1692
Research	UC Researchers	Open Society Foundations: Latin America Program	Four areas of interest: Accountability and Transparency; Policy Debate and Dialogue; Human Rights; Citizen Security	Ongoing	<a href="http://www.opensocietyfoundations.org/grants/latin-america-program">http://www.opensocietyfoundations.org/grants/latin-america-program</a>	n/a
Cultural Exchanges	UC Researchers	National Association of Latino Arts and Culture	Supports cultural exchanges that promote grassroots artistic collaboration and strengthen social networks between linked communities in the United States, Mexico, and Central America	Ongoing	<a href="http://nalac.org">http://nalac.org</a>	LOI to <a href="mailto:latinamerica@opensocietyfoundations.org">latinamerica@opensocietyfoundations.org</a>
Short-term Research Stays	Mexico Researchers	USDA FAS - Borlaug Fellowship Program: 2015 Global Cocoa Initiative	Fellows will work one-on-one with a mentor at a U.S. research institution for up to 12 weeks. Research priorities: genetics and breeding; plant propagation methods; diseases (plant pathology and control methods); soil fertility and plant nutrition.		30-Sep-15 <a href="http://www.fas.usda.gov/newsroom/accepting-applications-2015-borlaug-cocoa-fellowships">http://www.fas.usda.gov/newsroom/accepting-applications-2015-borlaug-cocoa-fellowships</a>	n/a
